## Technology

JS, TS, ReactJs, Redux, GraphQL, Apollo, Prismic, NextJs, React Router, babel, Webpack, yarn, npm, SASS, Styled Components, Jest, karma, Cypress, Docker, Jenkins, CI/CD

---

## Experience

### **Accenture (smart, Daimler) / Senior ReactJs Developer (Contractor)**

May 2021 - Present, remote

<https://future.smart.com/>

I designed and implemented the new future smart IAA page with immersive components.

Tech stack: ReactJs, TS, Eslint, Jest, styled components, Webpack.

### **lemon.market GmbH / Senior ReactJs Developer (Contractor)**

Jun 2021 - Sep 2021, remote

<https://www.lemon.markets/>

I built custom Prismic slides for Blog and CMS pages.

Tech stack: ReactJs, Prismic, NextJs TS, Eslint, Jest.

### **Accenture (VW, Audi) / Senior ReactJs Developer (Contractor)**

Nov 2020 - May 2021, remote

I was taking part in implementing White Label Dealer Search app for VW and integrating it into the Audi brand. Supported current version of Audi.de for 90+ markets, implemented new features in existing components.

Tech stack: ReactJs, TS, Eslint, Jest, styled components, Webpack.

### **Factor Eleven / Senior ReactJs Developer (Contractor)**

Sep 2019 - May 2021, remote

<https://www.factor-eleven.de/>

I was responsible for architecting and implementing React based App for AdManager and components ecosystem. Implemented UI-library for code reusability across multiple projects.

Tech stack: ReactJs, React Hooks, GraphQL, Apollo, Eslint, Jest, Enzyme, Cypress, SASS, Css Modules, Webpack, GitLab.

### **ToolTime / Senior ReactJs Developer (Contractor)**

Feb 2020 - March 2020, Berlin

<https://www.tooltime.de/>

I was responsible for designing, architecting and implementing a React based

application for handworkers.

*Tech stack:* TS, ReactJs, React Hooks, GraphQL, Apollo, Eslint, Jest, Cypress, Css Modules, Webpack, CircleCI.

### **Careem / Senior Software Developer (Fulltime)**

Jun 2018 - Aug 2019, Berlin

<https://careem.com/>

I was responsible for building React components and taking architectural decisions for the corporate customers department. Supported Web UI library shared across Careem ecosystem. Also worked on the last mile delivery (LMD) platform. Worked on the CareemNow platform (food delivery). Became a scrum master for my team of 6 developers.

*Tech stack:* ReactJs, Redux, Saga, Jest, Enzyme, Karma, Cypress, TypeScript, Webpack, CSS Modules, Sass, Jenkins, Docker, Konlin, Scala, Play, MySQL.

### **Circula GmbH / Frontend Developer (Fulltime)**

Nov 2017 - May 2018, Berlin

<https://circula.com/>

I was responsible for building tools for accountants and supervisors to make the process of submitting expenses painless. Worked with ReactJs, Redux, jasmine, Ruby, RoR, RSpec, Docker.

### **Mes.mo GmbH / Full Stack Web Developer (Fulltime)**

Jan 2015 - Oct 2017, Stuttgart

<http://www.gastroguide.de/>

Architected and implemented Web-based solutions for restaurants, such as: *Reservation System, Websites Constructor, Advertising System, File Manager, Form Builder, Menu Builder, REST API for mobile apps.*

Worked with ReactJs, Redux, Flux, PHP, MySQL, AWS.

### **UKEESS / Full Stack Web Developer (Fulltime)**

Apr 2014 - Dec 2014, Lviv, Ukraine

<https://cma.ua/>

I was responsible for creating new Magento Plugins and supporting existing ones.

---

## **Education**

### **Lviv Polytechnic National University / Master (CS)**

Sep 2010 - Dec 2015, Lviv, Ukraine

Diploma thesis: **Context-aware web service for booking personal services.**

During education I wrote a compiler as coursework using C and Assembler, created Virtual Desktops for Windows 7, using C and WinAPI.

---

## **Languages**

Ukrainian: native

English: fluent (B2)

German: fluent (B2)

Russian: fluent (B2)

---

**Hobbies and activities**

---

I like to read fiction and business literature (reading more than 30 books yearly since 2015);  
Powerlifting (Candidate Master of Sport);  
Driving motorcycle;  
Traveling (visited 25 countries).

---

---

**Personal qualities**

---

Responsible, initiative, hard-working, communicative, can work in a team as well as alone, punctual, ready to help and mentor others, focused.
